

FIFE COUNCIL – 16 MAY 2024

SNP Amendment to Motion 3.

After “ as amber by the Met Office”, add

Council also calls for the Council Leader to write to the Westminster Government demanding increased funding for revenue and Capital investment to develop sustainable financial strategies, for all areas including flooding, particularly as it has been highlighted by Alyson Stafford, director-general of the Scottish Exchequer, at Holyrood’s Public Audit Committee, that Scotland will receive no capital consequentials as a result of the recent budget while total funding will fall 8.7% in real terms by 26/27.
