## **Adult Support and Protection Practitioners Forum 2025**

An Adult Support and Protection interagency practitioner's forum has been developed and forum events held throughout 2025.

### **Aims and Objectives.**

The aim of the Adult Support and Protection Interagency Forum is to

- Provide a networking opportunity
- Contribute to continuously improving practice, improvement, and positive change
- Allow frontline practitioners to voice their ideas and highlight any areas for clarification
- Improve partnership working
- Raise awareness of roles, responsibility, and remit of other agencies
- Share experiences
- Learn from others
- Clarify roles, responsibilities, and remit of our multi agency partners
- Clarify misconceptions

### **The Practitioners Forum will**

- a. Work proactively to contribute to new initiatives.
- b. Voice constructive feedback around current practice issues.
- c. Provide ideas and solutions to issues arising.
- d. Share information with their teams/ colleagues.
- e. Feedback appropriately to the group, on behalf of their teams, for escalation to other forums if required.
- f. Commit to supporting the positive development of good practice across Fife.

### **Regulation and Management**

The interagency forum provides representatives with a real opportunity to have a voice, to be consulted with, and involved in developing and improving practice. It is important that all representatives understand that they have been selected as a representative because colleagues trust that they will listen to them, to feedback

their ideas and concerns, and to keep them informed about the issues discussed in the forum.

**All multi agency partners should be represented.**

A representative from each agency is required.
