Location: 12 Main Street Kelty Fife KY4 0AA

Applicant: Ms Morag Wilson 12 Main Street Kelty Fife KY4 0AA

Agent: Darren Beresford 237 Baldridgeburn Dunfermline UK KY12 9EG

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. Notwithstanding the provisions of the Town and Country Planning (Scotland) Act 1997 (as amended), the Town and Country Planning (Use Classes) (Scotland) Order 1997 (as amended), and the Town and Country Planning (General Permitted Development) (Scotland) Order 1992 (as amended), or any statutory instrument revoking, amending or re-enacting these with or without modification, these premises shall be used for no other purpose than the practice of yoga.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interests of residential and business amenity; to ensure proper control over the development hereby approved.

10 **Application No:** 23/01310/FULL

Date Decision Issued: 28/09/2023

Ward: Cowdenbeath

Proposal: Part use of house (Class 9) as childminding business (Class 10) (maximum nine children)

Location: 56 Netherton Road Cowdenbeath Fife KY4 9BF

Applicant: Mrs Lisa Hart 56 Netherton Road Cowdenbeath Fife KY4 9BF

Agent:

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. The use authorised by this permission shall be carried on only by the householder(s) and their assistant.
3. The use authorised by this permission shall be limited to childminding a maximum of nine children on the premises at any time.
4. The hours of operation of the use authorised by this permission shall be restricted to between 07:00 and 18:00 Mondays to Fridays and at no other time.
5. The floorspace and other areas used in connection with the childminding business authorised by this permission shall be used as part of the wider use of the subjects as a house when the business is not in operation.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interests of residential amenity, road safety and the good planning of the area; to restrict the use to that applied for and ensure the use of these premises remains compatible with the residential character of the area.
3. In the interests of residential amenity and road safety; to restrict the use to that applied for.
4. In the interests of residential amenity.
5. In the interests of residential amenity, road safety and the good planning of the area; to ensure the subjects remain compatible with the residential character of this area.

11 **Application No:** 22/04301/FULL

Date Decision Issued: 07/09/2023

Ward: Cupar

Proposal: Extension to supermarket and associated infrastructure

Location: Tesco Supermarket South Road Cupar Fife KY15 5JE

Applicant: Tesco Stores Limited Tesco House Shire Park Kestrel Way Welwyn Garden City United Kingdom AL7 1GA

Agent: Phil Pritchett PO Box 8052 Edinburgh United Kingdom EH16 5ZF

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. BEFORE ANY WORKS COMMENCE ON SITE; a Construction Method Statement and Management Plan, including an Environmental Protection Plan and a Scheme of Works to mitigate the effects on sensitive premises/areas from dust, noise and vibration relating to construction activities on site, shall be submitted to and approved in writing by Fife Council as Planning Authority. All construction works shall then be carried out in full accordance with these approved details.
2. BEFORE ANY WORKS COMMENCE ON SITE; a scheme of landscaping including a landscaping plan indicating the siting, numbers, species and heights (at time of planting) of all trees, shrubs, and hedges to be planted, and the extent and profile of any areas of earth mounding, shall be submitted to and approved in writing by this Planning Authority. These submitted details shall include full details of compensatory tree planting to off-set the loss of the existing trees on site and shall also include details of all proposed boundary treatments and retaining walls. The scheme as approved shall be implemented within the first planting season following the completion or occupation of the development, whichever is sooner.
3. The construction of the development shall be carried out fully in accordance with the recommendations contained within the submitted Arboricultural Impact Assessment Report (Plan Reference 15) and as per the tree protection plan contained within this document. This Planning Authority shall be formally notified in writing of the completion of the required tree protection measures and NO WORKS SHALL COMMENCE ON SITE until this Planning Authority has confirmed in writing that the measures as implemented are acceptable. The protective measures shall be retained in a sound and upright condition throughout the development operations and no building materials, soil or machinery shall be stored in or adjacent to the protected area, including the operation of machinery.
4. NO DEVELOPMENT SHALL COMMENCE ON SITE until the risk of actual or potential land contamination at the site has been investigated and a Preliminary Risk Assessment (Phase I Desk Study) has been submitted by the developer to and approved in writing by the planning authority. Where further investigation is recommended in the Preliminary Risk Assessment, no development shall commence until a suitable Intrusive Investigation (Phase II Investigation Report) has been submitted by the developer to and approved in writing by the planning authority. Where remedial action is recommended in the Phase II Intrusive Investigation Report, no development shall commence until a suitable Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures.

All land contamination reports shall be prepared in accordance with CLR11, PAN 33 and the Council's Advice for Developing Brownfield Sites in Fife documents or any subsequent revisions of those documents. Additional information can be found at www.fife.gov.uk/contaminatedland

5. NO BUILDING SHALL BE OCCUPIED UNTIL remedial action at the site has been completed in accordance with the Remedial Action Statement approved pursuant to condition 4. In the event that remedial action is unable to proceed in accordance with the approved Remedial Action Statement - or contamination not previously considered in either the Preliminary Risk Assessment or the Intrusive Investigation Report is identified or encountered on site - all development work on site (save for site investigation work) shall cease immediately and the planning authority shall be notified in writing within 2 working days. Unless otherwise agreed in writing with the local planning authority, development works shall not recommence until proposed revisions to the Remedial Action Statement have been submitted by the developer to and approved in writing by the planning authority. Remedial action at the site shall thereafter be completed in accordance with the approved revised Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement - or any approved revised Remedial Action Statement - a Verification Report shall

be submitted by the developer to the local planning authority.

Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement - or the approved revised Remedial Action Statement - and a Verification Report in respect of those remedial measures has been submitted to and approved in writing by the local planning authority.

6. IN THE EVENT THAT CONTAMINATION NOT PREVIOUSLY IDENTIFIED by the developer prior to the grant of this planning permission is encountered during the development, all development works on site (save for site investigation works) shall cease immediately and the planning authority shall be notified in writing within 2 working days.

Unless otherwise agreed in writing with the local planning authority, development work on site shall not recommence until either (a) a Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority or (b) the planning authority has confirmed in writing that remedial measures are not required. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures. Thereafter remedial action at the site shall be completed in accordance with the approved Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement, a Verification Report shall be submitted to the local planning authority. Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement and a Verification Report in respect of those remedial measures has been submitted by the developer to and approved in writing by the local planning authority.

7. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
8. The retail floor area devoted to comparison retail items shall not exceed 40% of the nett retail sales area of the overall supermarket store including the, hereby approved, extension. The remaining 60% of the nett retail floor space shall be used for the sale of convenience or food retailing purposes. In addition, the overall store shall not be sub-divided, and no area of the extension shall be used by a separate retail occupier from the overall retail store operator. The extension shall also be restricted to class 1 (retail) of the Schedule to the Town and Country Planning (Use Classes) (Scotland) Order, 1997 or in any statutory instrument revoking and re-enacting that Order.

For avoidance of doubt the net sales area for any use shall be calculated on the basis of any area within the shop or store which is visible to the public and to which it has access, including fitting rooms, checkouts, the area in front of checkouts, serving counters and the area behind used by serving staff, areas occupied by retail concessionaires, customer services areas, and internal lobbies in which goods are displayed; but not including customer toilets.

9. No additional mezzanine floorspace shall be constructed within the, hereby approved, extension.
10. BEFORE THE RETAIL EXTENSION IS BROUGHT INTO USE: the off-street parking provision as shown on the approved site layout drawing (plan reference - 03) shall be provided and available for use for vehicles in accordance with the current Fife Council Parking Standards as contained within Appendix G of Making Fife's Places Supplementary Guidance (2018) or any subsequent updated version of this guidance . The parking spaces shall be retained through the lifetime of the development.
11. No building, demolition or vegetation clearance shall be carried out during the bird breeding season, which is March to August inclusive, unless otherwise agreed in writing with Fife Council as Planning Authority. Any request to carry out works during this season shall be supported in writing by evidence from a suitably qualified ecologist which demonstrates that the works would have no detrimental impact on roosting birds. No works shall commence on site until written approval of this evidence has been received from this Planning Authority.

Reason(s):

1. In the interests of safeguarding residential amenity.
2. In the interests of visual amenity and local environmental quality; to ensure that the loss of the existing trees on site are satisfactorily compensated for.
3. In the interests of safeguarding trees.
4. To ensure potential risk arising from previous land uses has been investigated and any requirement for

remedial actions is suitably addressed.

5. To provide satisfactory verification that remedial action has been completed to the planning authority's satisfaction.
6. To ensure all contamination within the site is dealt with.
7. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
8. To define the planning permission and in the interests of protecting the vitality and viability of the town centre.
9. To minimise the impact of the development on the town centre and to ensure the impact of any future extension of retail floorspace can be properly and fully assessed to determine its potential impact on the vitality and viability of the adjacent town centre.
10. In the interest of road safety; to ensure the provision of adequate off-street parking facilities.
11. In the interests of species protection.

12 **Application No:** 22/03896/FULL

Date Decision Issued: 13/09/2023

Ward: Cupar

Proposal: Change of use from offices (Class 2) to 3 flatted dwellings (Sui Generis)

Location: 1st Floor 25 Crossgate Cupar Fife KY15 5HA

Applicant: Mr Gerard Creanor 25 Crossgate CUPAR United KY15 5HA

Agent: Gerard Creanor 12 FLAT 1/1 12 Woodside Terrace Glasgow United Kingdom
G3 7XH

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. The residential units provided on site shall be used solely as residences for (a) a single person or by people living together as a family; or, (b) not more than 5 unrelated residents living together in a dwellinghouse; or, (c) not more than 2 unrelated residents living together in a flat. For the avoidance of doubt, none of the residential units hereby approved shall be used for Housing in Multiple Occupation.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interests of maintaining a mixed and balanced housing stock as required by Adopted FIFEplan - Fife Local Development Plan Policy 2 (Homes) or any subsequent revision or amendment of this document.

13 **Application No:** 23/01020/CLE

Date Decision Issued: 13/09/2023

Ward: Cupar

Proposal: Certificate of Lawfulness (existing) for use of land as storage area (Class 6) associated with main building.

Location: Main Buildings T M Simpson Teasses Mill Craighall Ceres Cupar Fife KY15 5PR

Applicant: Mr Richard Finnie Bonard Westfield Road Cupar Scotland KY15 5DR

Agent:

Application Refused

Reason(s):

1. From the limited evidence submitted by the applicant, it is considered that there is insufficient written or similar legally competent evidence to demonstrate that this site has been in use as a storage and distribution (Class 6) land use, for continuous period of 10 years or more. As such, aforementioned Class 6 use, can not be deemed lawful, in accordance with Section 150 of The Town and Country Planning (Scotland) Act 1997.

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 5 years from the date of this permission.
2. A further application(s) for certain matters (Approval of Matters Required by Condition) shall be submitted for the requisite approval of this Planning Authority, together with the detailed plans which shall include:-
 - (a) A location plan of all the site to be developed to a scale of not less than 1:2500, showing generally the site, any existing trees, hedges, walls (or other boundary markers) layout of the roads and sewers, and the position of all buildings;
 - (b) A detailed plan to a scale of not less than 1:500 showing the site contours, the position and width of all proposed roads and footpaths including public access provision, the siting of the proposed buildings, finished floor levels, new walls and fences and details of proposed landscape treatment;
 - (c) Detailed plans, sections and elevations of all buildings proposed to be erected on the site, together with details of the proposed method of drainage and the colour and type of materials to be used externally on walls and roofs;
 - (d) Details of the existing and proposed ground levels as well as the finished floor levels all related to a fixed datum point. The details shall specify the extent and height of any areas of mounding;
 - (e) Details including plans showing the provision of off-street parking on the site in accordance with the current Fife Council Parking Standards as contained within Appendix G (Transportation Development Guidelines) of Making Fife's Places Supplementary Guidance (2018);
 - (f) Detailed drawings illustrating the developments' compliance with Fife Council's Planning Customer Guidelines on Daylight and Sunlight, Window to Window distances, Garden Ground requirements and car parking requirements, shall be submitted.
 - (g) A sustainability statement illustrating the developments' compliance with Fife Council's Planning Policy - Low Carbon Fife Supplementary Guidance Document (2019). The sustainability statement shall address all of the matters set out in Appendix B of Fife Council's Low Carbon Fife Supplementary Guidance (January 2019); A manufacturers brochure/specification of any proposed energy generating technologies shall also be submitted.
 - (h) A surface water management plan as set out within Fife Council's Design Criteria Guidance on Flooding and Surface Water Management Plan Requirements (2020);
3. Prior to the occupation of the dwelling, the shared private vehicular access driveway serving the plot shall be constructed in a bound material between its junction with the public road and the eastern extents of the red application site boundary. The access shall have a gradient not exceeding 1 in 10 (10%) and shall have appropriate vertical curves to ensure adequate ground clearance for vehicles.
4. Prior to the occupation of the dwelling, visibility splays 2m x 60m shall be provided and maintained clear of all obstructions exceeding 1 metre in height above the adjoining road channel level, at the junction of the vehicular access and the public road, in accordance with the current Fife Council Making Fife's Places Appendix G. The visibility splays shall be retained for the lifetime of the development.

5. Prior to the occupation of the dwelling, off-street parking shall be provided in accordance with the current Fife Council Parking Standards contained within the current Fife Council Making Fife's Places Appendix G. The parking spaces shall be retained for the lifetime of the development.
6. Prior to, or concurrent with, the submission of the first of the reserved matters, findings of intrusive investigations to establish the risks posed by coal mining features and the remedial works necessary to ensure the safety and stability of the development shall be submitted to the LPA for approval. The approved works shall be implemented on site prior to commencement of the development. The intrusive site investigations and remedial works shall be carried out in accordance with authoritative UK guidance.
7. Prior to the occupation of the development a signed statement or declaration prepared by a suitably competent person confirming that the site is, or has been made, safe and stable for the approved development shall be submitted to the Local Planning Authority for approval in writing. This document shall confirm the completion of any remedial works and/or mitigation necessary to address the risks posed by past coal mining activity.
8. IN THE EVENT THAT CONTAMINATION NOT PREVIOUSLY IDENTIFIED by the developer prior to the grant of this planning permission is encountered during the development, all development works on site (save for site investigation works) shall cease immediately and the planning authority shall be notified in writing within 2 working days.

Unless otherwise agreed in writing with the local planning authority, development work on site shall not recommence until either (a) a Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority or (b) the planning authority has confirmed in writing that remedial measures are not required. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures. Thereafter remedial action at the site shall be completed in accordance with the approved Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement, a Verification Report shall be submitted to the local planning authority. Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement and a Verification Report in respect of those remedial measures has been submitted by the developer to and approved in writing by the local planning authority.

9. NO DEVELOPMENT SHALL COMMENCE ON SITE until the risk of actual or potential land contamination at the site has been investigated and a Preliminary Risk Assessment (Phase I Desk Study) has been submitted by the developer to and approved in writing by the planning authority. Where further investigation is recommended in the Preliminary Risk Assessment, no development shall commence until a suitable Intrusive Investigation (Phase II Investigation Report) has been submitted by the developer to and approved in writing by the planning authority. Where remedial action is recommended in the Phase II Intrusive Investigation Report, no development shall commence until a suitable Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures.

All land contamination reports shall be prepared in accordance with CLR11, PAN 33 and the Council's Advice for Developing Brownfield Sites in Fife documents or any subsequent revisions of those documents. Additional information can be found at www.fife.gov.uk/contaminatedland

10.

Reason(s):

1. In order to comply with the provisions of Section 59 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. To be in compliance with Section 59 of The Town and Country Planning (Scotland) Act 1997, as amended by the Planning etc (Scotland) Act 2006.
3. In the interest of road safety; to ensure the provision of an adequate design layout and construction
4. In the interest of road safety; to ensure the provision of adequate visibility at road junctions etc.
5. In the interest of road safety; to ensure the provision of adequate off-street parking facilities.
6. In the interest of land stability
7. In the interest of land stability
8. To ensure all contamination within the site is dealt with.

9. To ensure potential risk arising from previous land uses has been investigated and any requirement for remedial actions is suitably addressed.
10. To provide satisfactory verification that remedial action has been completed to the planning authority's satisfaction.

24 **Application No:** 23/02327/FULL **Date Decision Issued:** 27/09/2023

Agent: Gordon Thomson 4 Furniss Avenue Rosyth Scotland KY11 2ST

Application Permitted - no conditions

27 **Application No:** 23/01836/LBC

Date Decision Issued: 05/09/2023

Ward: East Neuk And Landward

Proposal: Listed Building Consent for installation of replacement windows to flatted dwellings

Location: 16, 17 And 18 Watson Place Pittenweem Road Anstruther Fife KY10 3ED

Applicant: Miss Gail McKill 18 Watson Place Anstruther Scotlnd KY10 3ED

Agent:

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. FOR THE AVOIDANCE OF DOUBT, the proposed windows hereby approved shall be finished externally in white painted timber to match existing upon installation and thereafter permanently maintained as such.

Reason(s):

1. In the interest of visual amenity; to ensure that the finishing materials are appropriate to the character and appearance of the Category B Listed Building.

28 **Application No:** 23/00055/LBC

Date Decision Issued: 07/09/2023

Ward: East Neuk And Landward

Proposal: Listed Building Consent for installation of twelve solar panels to front roof of flatted property

Location: 16 Toll Road Cellardyke Anstruther Fife KY10 3BJ

Applicant: Mr Raymond Hendry 16 Toll Road Cellardyke Anstruther Fife KY10 3BJ

Agent:

Application Refused

Reason(s):

1. In the interests of preserving the character and historical integrity of this Category C Listed Building; the proposed installation of twelve solar panels to the slate roof of the prominent front elevation of the flatted building would be of a scale and modern appearance that would harm the overall character and have a detrimental visual impact on the appearance of this Listed Building and the setting of neighbouring Listed properties. The installation of the solar panels could also cause harm to the fabric of the Listed Building as insufficient information has been provided to demonstrate that the fabric would be protected and the Listed Building safeguarded. As such the proposals are contrary to the terms of the National Guidance, Policies 1, 2 and 7 of the Approved National Planning Framework 4 (2023) and Policies 1, 10 and 14 of the Adopted FIFEplan - Fife Local Development Plan (2017).

Ward: East Neuk And Landward

Proposal: Erection of dwellinghouse, fencing, installation of gates and formation of hardstanding and access

Location: Sandhouse 20 South Street Elie Leven Fife KY9 1DN

Applicant: Mr Brendan O'Brian Sandhouse 20 South Street Elie Leven Fife KY9 1DN

Agent: Eilidh Izat Mol Ban 3 Urgha Isle of Harris Western Isles HS3 3BW

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. Prior to the occupation of the dwellinghouse, the off-street car parking shall be provided as shown on Drawing (P) P-01 Rev E. The parking spaces shall be retained through the lifetime of the development.
3. Prior to the occupation of the dwellinghouse, details of the proposed renewable technologies to be used shall be submitted for the prior written approval of Fife Council as Planning Authority. For the avoidance of doubt, due consideration shall be given to the Article 4 directions in place within the Elie & Earlsferry Conservation Area with regards to the need for further planning approvals of some low carbon technologies as per the provisions of The Town and Country Planning (General Permitted Development) (Scotland) Order 1992, as amended. In such instances separate permission will be required and therefore can not be agreed by this condition.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interest of road safety; to ensure the provision of adequate off-street parking facilities.
3. In the interests of sustainability; to ensure the proposal complies with Policies 1 and 11 of the Adopted FIFEplan (2017).

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. BEFORE THE COMMENCEMENT OF THE DEVELOPMENT HEREBY APPROVED, and notwithstanding the details shown in the approved drawings, details of the foul and surface water drainage/SuDS and water supply infrastructure serving the said development shall have been submitted to and approved in writing by the planning authority as part of an express planning permission.
3. BEFORE THEIR USE IN THE DEVELOPMENT HEREBY APPROVED, details of the specification and colour of the proposed exterior finishes shall have been submitted to and approved in writing by the planning authority.
4. BEFORE THE FIRST OCCUPATION OF THE DWELLINGHOUSE HEREBY APPROVED, confirmation that the SuDS approved pursuant to Condition 2 above has been constructed in line with current best practice shall have been submitted to Fife Council as planning authority. The required confirmation shall comprise the submission of a completed and signed Appendix 6 of Fife Council's Design Criteria Guidance on Flooding and Surface Water Management Plan Requirements.
5. BEFORE THE FIRST OCCUPATION OF THE DWELLINGHOUSE HEREBY APPROVED, the infrastructure approved pursuant to Condition 2 above shall have been provided and made fully operational, unless otherwise agreed in writing. The said infrastructure shall thereafter be retained and maintained for the lifetime of the development.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interests of ensuring the development hereby approved is served by satisfactory and lawful water management infrastructure, water management infrastructure serving the said development not being shown entirely within the application site.
3. In the interests of visual amenity; to ensure that the exterior finishing materials are appropriate to the surrounds.
4. To ensure the SuDS infrastructure has been constructed in accordance with the requisite planning permission and in accordance with current best practice.
5. To ensure that the necessary water management infrastructure is provided and operational at the necessary time, and that water is effectively managed.

Proposal: Erection of dwellinghouse (Class 9) and associated development (revised scheme to that approved under planning permission 21/02211/FULL)
Location: Land Adjacent To The East Of Kinglassie Clinic Main Street Kinglassie Fife
Applicant: Mr Phil Gordon 35 John Neilson Avenue Paisley Scotland PA1 2SX
Agent: Stuart Craig 9 High Barholm Office 01 Kilbarchan Scotland PA10 2EF

Application Permitted with Conditions**Approve** subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. Unless otherwise agreed in advance in writing by this planning authority, all the windows and rooflights hereby approved shall comply with the specifications outlined in Table 4.1 for Exposure 1 windows as recommended within the noise impact assessment report hereby approved.
3. BEFORE THE COMMENCEMENT OF THE DEVELOPMENT HEREBY APPROVED, and notwithstanding the details hereby approved, full details of the following shall have been submitted to and approved in writing by this planning authority:-
 - i) surface water management infrastructure to serve the development hereby approved, accompanied by a surface water management plan, consistent with Fife Council's Design Criteria Guidance on Flooding and Surface Water Management Plan Requirements (2022);
 - ii) flood resilient building materials and construction to be used in the development hereby approved;
 - iii) external finishing and hard surfacing materials to be used in the development hereby approved;
 - iv) a scheme of tree planting/landscaping and subsequent maintenance intended to deliver enhanced on site biodiversity compared to the existing situation; and
 - v) a completed Low Carbon Sustainability Checklist in terms of Fife Council's Low Carbon Fife Supplementary Guidance (2019) and its validation guidance.
4. IN THE EVENT THAT CONTAMINATION NOT PREVIOUSLY IDENTIFIED by the developer prior to the grant of this planning permission is encountered during the development, all development works on site (save for site investigation works) shall cease immediately and the planning authority shall be notified in writing within 2 working days.

Unless otherwise agreed in writing with the local planning authority, development work on site shall not recommence until either (a) a Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority or (b) the planning authority has confirmed in writing that remedial measures are not required. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures. Thereafter remedial action at the site shall be completed in accordance with the approved Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement, a Verification Report shall be submitted to the local planning authority. Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement and a Verification Report in respect of those remedial measures has been submitted by the developer to and approved in writing by the local planning authority.

5. The surface water management infrastructure approved pursuant to Condition 3 above shall have been constructed/installed contemporaneously with the build out of the development hereby approved and shall be fully operational BEFORE THE USE HEREBY APPROVED IS INSTITUTED, unless otherwise agreed in advance in writing. This infrastructure shall thereafter be retained and maintained throughout the lifetime of the development hereby approved.
6. BEFORE THE FIRST OCCUPATION OF THE DWELLINGHOUSE HEREBY APPROVED, three off road parking spaces shall have been provided as shown in the plans hereby approved, in accordance with the current Appendix G Transportation Development Guidelines of Making Fife's Places Supplementary Guidance (2018). These parking spaces shall be retained throughout the lifetime of the development for the purposes of off road parking.

7. BEFORE THE FIRST OCCUPATION OF THE DWELLINGHOUSE HEREBY APPROVED, an off road turning area serving the dwellinghouse shall have been provided to allow all cars making use of the development's parking spaces to access onto and from the public road in a forward gear, which area shall continue to serve the development hereby approved throughout its lifetime.
8. BEFORE THE FIRST OCCUPATION OF THE DWELLINGHOUSE HEREBY APPROVED, confirmation that the surface water management infrastructure approved pursuant to Condition 3 above has been constructed in line with current best practice shall have been submitted to the planning authority. The required confirmation shall comprise the submission of a completed and signed Appendix 6 of Fife Council's Design Criteria Guidance on Flooding and Surface Water Management Plan Requirements (2022).

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interests of residential amenity; to ensure satisfactory mitigation of noise within the dwellinghouse hereby approved.
3. In the interests of ensuring that surface water is managed sustainably and that the development would remain safe and operational during floods, and in the interests of road safety and biodiversity enhancement.
4. To ensure all contamination within the site is dealt with.
5. To ensure the effective management of surface water and that the required drainage works are carried out and operational at the required stage of the development.
6. In the interests of road safety; to ensure the provision of adequate off road parking facilities.
7. In the interests of road safety; to ensure that all vehicles taking access onto and exit from the public road can do so in a forward gear.
8. To ensure the approved surface water management infrastructure has been constructed in accordance with the approved details and in accordance with current best practice.

Applicant: Broadgate Builders (Spalding) LTD Broadgate House 519 Broadgate Weston Hills Spalding England PE12 6DB
Agent: Simon Liquorish Broadgate House 519 Broadgate Weston Hills Spalding England PE12 6DB

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. BEFORE ANY WORKS START ON SITE, the developer shall secure the implementation of a programme of archaeological work in accordance with a detailed written scheme of investigation which has been submitted by the developer and approved in writing by this Planning Authority.
3. NO DEVELOPMENT SHALL COMMENCE ON SITE until the risk of actual or potential land contamination at the site has been investigated and a Preliminary Risk Assessment (Phase I Desk Study) has been submitted by the developer to and approved in writing by the planning authority. Where further investigation is recommended in the Preliminary Risk Assessment, no development shall commence until a suitable Intrusive Investigation (Phase II Investigation Report) has been submitted by the developer to and approved in writing by the planning authority. Where remedial action is recommended in the Phase II Intrusive Investigation Report, no development shall commence until a suitable Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures.

All land contamination reports shall be prepared in accordance with CLR11, PAN 33 and the Council's Advice for Developing Brownfield Sites in Fife documents or any subsequent revisions of those documents. Additional information can be found at www.fife.gov.uk/contaminatedland

4. NO BUILDING SHALL BE OCCUPIED UNTIL remedial action at the site has been completed in accordance with the Remedial Action Statement approved pursuant to condition 5. In the event that remedial action is unable to proceed in accordance with the approved Remedial Action Statement - or contamination not previously considered in either the Preliminary Risk Assessment or the Intrusive Investigation Report is identified or encountered on site - all development work on site (save for site investigation work) shall cease immediately and the planning authority shall be notified in writing within 2 working days. Unless otherwise agreed in writing with the local planning authority, development works shall not recommence until proposed revisions to the Remedial Action Statement have been submitted by the developer to and approved in writing by the planning authority. Remedial action at the site shall thereafter be completed in accordance with the approved revised Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement - or any approved revised Remedial Action Statement - a Verification Report shall be submitted by the developer to the local planning authority.

Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement - or the approved revised Remedial Action Statement - and a Verification Report in respect of those remedial measures has been submitted to and approved in writing by the local planning authority.

5. IN THE EVENT THAT CONTAMINATION NOT PREVIOUSLY IDENTIFIED by the developer prior to the grant of this planning permission is encountered during the development, all development works on site (save for site investigation works) shall cease immediately and the planning authority shall be notified in writing within 2 working days.

Unless otherwise agreed in writing with the local planning authority, development work on site shall not

recommence until either (a) a Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority or (b) the planning authority has confirmed in writing that remedial measures are not required. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures. Thereafter remedial action at the site shall be completed in accordance with the approved Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement, a Verification Report shall be submitted to the local planning authority. Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement and a Verification Report in respect of those remedial measures has been submitted by the developer to and approved in writing by the local planning authority.

6. The dwellinghouses provided on the site shall be used solely as a residence for (a) a single person or by people living together as a family; or, (b) not more than 5 unrelated residents living together in a dwellinghouse. For the avoidance of doubt, the dwellinghouse hereby approved shall not be used for Housing in Multiple Occupation.
7. No tree works or scrub clearance shall occur on site from 1st March through to 31st August in any year unless otherwise agreed in writing with this Planning Authority prior to clearance works commencing. In the event that clearance is proposed between 1st March to 31st August, a bird survey shall be carried out by a suitably qualified ecologist covering the proposed clearance area and shall be submitted to and approved in writing by this Planning Authority before those clearance works commence. Once written approval has been given the works themselves should be carried out within a specified and agreed timescale. For the avoidance of doubt the survey must be carried out no longer than 48 hours prior to the clearance works commencing.
8. All works being undertaken should be done as per the recommendations made within the Bat, Owl and Phase1 Habitat Survey undertaken by JK Ecology Ltd unless as agreed in writing by Fife Council as Planning Authority.
9. No works shall be undertaken which in any way impinge or obstruct alleged or vindicated rights of way, vehicle access or core paths on or adjacent to the application site, unless otherwise agreed in writing with Fife Council as Planning Authority.
10. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (Scotland) Order, 1992 (or any Order revoking and re-enacting that Order) no development within Classes 1(a), 1(b), 1(c), 1(d), 2(b),3 and 7 shall be undertaken without the express prior consent of this Planning Authority.
11. BEFORE ANY WORK STARTS ON SITE, details of the specification and colour of the proposed external finishes to walls and roofs shall be submitted for the further approval in writing by this Planning Authority. For the avoidance of doubt the proposed dwellings shall incorporate natural slate and/or clay pan tile roofs and natural stone/coloured wet dash render. Boundary walls shall be natural stone to match the existing natural stone.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In order to safeguard the archaeological heritage of the site and to ensure that the developer provides for an adequate opportunity to investigate, record and rescue archaeological remains on the site, which lies within an area of archaeological importance.
3. In order to avoid disturbance during bird breeding seasons.
4. To protect wildlife within the site.
5. To ensure potential risk arising from previous land uses has been investigated and any requirement for remedial actions is suitably addressed.
6. To provide satisfactory verification that remedial action has been completed to the planning authority's satisfaction.
7. To ensure all contamination within the site is dealt with.
8. To ensure that all existing access, rights of way and core paths are protected and not adversely affected as a result of the development.
9. In order to ensure that no damage is caused to the existing trees during (demolition and) development operations.
10. To reflect the high density of the development proposed on site and to guard against the potential flooding

issues for this site both of which could be adversely affected by certain types of householder development. In the opinion of this Planning Authority the additional degree of planning control is necessary due to the special character of the layout and the need to prevent uncontrolled site coverage.

11. In the interests of visual amenity; to ensure that the external finishing materials are appropriate to the character of the area.

Ward: Kirkcaldy East

Proposal: Change of use from office and day centre (Classes 4 and 10) to form 3 retail units (Class 1A); 1 flatted dwelling (sui generis); and 1 flatted HMO (3 persons) and external alterations including installation of replacement windows and doors

Location: 110 - 112 Rosslyn Street Kirkcaldy Fife KY1 3AD

Applicant: Rosslyn Properties Ltd 290 Keighley Road Bradford Birmingham BD9 4LH

Agent: Alison Arthur 85 High Street Newburgh Fife KY14 6DA

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. BEFORE THE WINDOWS ON THE FIRST FLOOR HEREBY APPROVED ARE INSTALLED, specific details and specification of their colour shall be submitted for approval in writing by this Planning Authority. Thereafter, the approved details shall be implemented in full and retained/ maintained for the lifetime of the development.
3. The proposed acoustic fence and gate, as detailed in sections 9.14 to 9.18 of the approved Noise Impact Assessment by CSP Acoustics dated 3rd July 2023 (Fife Council Reference 06A), shall be implemented in full prior to the occupation of the flatted dwelling and/or HMO whichever is first and thereafter retained and maintained for the lifetime of the development. For the avoidance of doubt the acoustic fence and gate shall be 2 metres in height.
4. PRIOR TO THE USE OF THE BUILDING HEREBY APPROVED, there shall be provided within the curtilage of the site 4 off-street parking spaces all in accordance with the current Fife Council Making Fife's Places Appendix G. The parking spaces shall thereafter be retained for the lifetime of the development.
5. The flatted dwelling on the ground floor hereby approved shall be used solely as a residence for (a) a single person or by people living together as a family; or, (b) not more than 2 unrelated residents living together in a flat. For the avoidance of doubt the flatted dwelling hereby approved shall not be used for Housing in Multiple Occupation.
6. The flatted HMO on the first floor hereby approved shall be carried out in accordance with the approved plans and shall be restricted to a total of 3 occupants and thereafter shall be retained and maintained as such for the lifetime of the development. FOR THE AVOIDANCE OF DOUBT, the existing attic space shall not be used for habitable purposes.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interests of visual amenity, to ensure the development makes a positive contribution to the existing building and surrounding historic streetscape.
3. In the interests of safeguarding residential amenity.
4. In the interest of road safety; to ensure the provision of adequate off-street parking facilities.
5. In the interests of maintaining a mixed and balanced housing stock as required by Policies 1 and 2 of the Adopted FIFEplan (2017).
6. In the interests of maintaining a mixed and balanced housing stock as required by Policies 1 and 2 of the Adopted FIFEplan (2017); and in the interests of safeguarding road safety.

Ward: Kirkcaldy East
Proposal: Erection of two storage buildings (Class 6) including external alterations to the existing building and formation of additional off-street parking
Location: Units 1 And 3 Smeaton Road Kirkcaldy Fife KY1 2EY
Applicant: M.K.M. Building Supplies (Kirkcaldy) Limited 5 Smeaton Road Kirkcaldy Scotland KY1 2EY
Agent: Christopher Kendall 2 York Cottages Elm Grove Road Cobham United Kingdom KT11 3HG

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. NO DEVELOPMENT SHALL COMMENCE ON SITE until the risk of actual or potential land contamination at the site has been investigated and a Preliminary Risk Assessment (Phase I Desk Study) has been submitted by the developer to and approved in writing by the planning authority. Where further investigation is recommended in the Preliminary Risk Assessment, no development shall commence until a suitable Intrusive Investigation (Phase II Investigation Report) has been submitted by the developer to and approved in writing by the planning authority. Where remedial action is recommended in the Phase II Intrusive Investigation Report, no development shall commence until a suitable Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures.

All land contamination reports shall be prepared in accordance with CLR11, PAN 33 and the Council's Advice for Developing Brownfield Sites in Fife documents or any subsequent revisions of those documents. Additional information can be found at www.fife.gov.uk/contaminatedland

3. NO BUILDING SHALL BE OCCUPIED UNTIL remedial action at the site has been completed in accordance with the Remedial Action Statement approved pursuant to condition 2. In the event that remedial action is unable to proceed in accordance with the approved Remedial Action Statement - or contamination not previously considered in either the Preliminary Risk Assessment or the Intrusive Investigation Report is identified or encountered on site - all development work on site (save for site investigation work) shall cease immediately and the planning authority shall be notified in writing within 2 working days. Unless otherwise agreed in writing with the local planning authority, development works shall not recommence until proposed revisions to the Remedial Action Statement have been submitted by the developer to and approved in writing by the planning authority. Remedial action at the site shall thereafter be completed in accordance with the approved revised Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement - or any approved revised Remedial Action Statement - a Verification Report shall be submitted by the developer to the local planning authority.

Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement - or the approved revised Remedial Action Statement - and a Verification Report in respect of those remedial measures has been submitted to and approved in writing by the local planning authority.

4. IN THE EVENT THAT CONTAMINATION NOT PREVIOUSLY IDENTIFIED by the developer prior to the grant of this planning permission is encountered during the development, all development works on site (save for site investigation works) shall cease immediately and the planning authority shall be notified in writing within 2 working days.

Unless otherwise agreed in writing with the local planning authority, development work on site shall not recommence until either (a) a Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority or (b) the planning authority has confirmed in writing that remedial measures are not required. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures. Thereafter remedial action at the site shall be completed

in accordance with the approved Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement, a Verification Report shall be submitted to the local planning authority. Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement and a Verification Report in respect of those remedial measures has been submitted by the developer to and approved in writing by the local planning authority.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. To ensure potential risk arising from previous land uses has been investigated and any requirement for remedial actions is suitably addressed.
3. To provide satisfactory verification that remedial action has been completed to the planning authority's satisfaction.
4. To ensure all contamination within the site is dealt with.

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. BEFORE THE DEVELOPMENT IS BROUGHT INTO USE details of the replacement tree planting shall be submitted for the approval of the Planning Authority. The scheme as approved shall be implemented within the first planting season following the completion or commencement of the development's use, whichever is the sooner.
3. BEFORE ANY WORKS COMMENCE ON SITE; a scheme of intrusive site investigation works to identify any coal mining legacy issues shall be undertaken. The results of these investigations along with details of any required remedial works and/or mitigation measures to address land instability shall be submitted in a report for the prior written approval by Fife Council as Planning Authority in consultation with The Coal Authority. Thereafter any identified and agreed remedial works and/or mitigation measures shall be undertaken in full BEFORE ANY DEVELOPMENT WORKS COMMENCE ON SITE. The intrusive site investigations and remedial works shall be carried out in accordance with the relevant authoritative UK guidance.
4. A signed statement or declaration prepared by a suitably competent person confirming that the site is, or has been made, safe and stable for the approved development shall then be submitted to and approved in writing by Fife Council as Planning Authority BEFORE THE DEVELOPMENT IS BROUGHT INTO USE. This document shall confirm the methods and findings of the intrusive site investigations and the completion of any remedial works and/or mitigation necessary to address the risks posed by past coal mining activity.
5. IN THE EVENT THAT CONTAMINATION NOT PREVIOUSLY IDENTIFIED by the developer prior to the grant of this planning permission is encountered during the development, all development works on site (save for site investigation works) shall cease immediately and the planning authority shall be notified in writing within 2 working days.

Unless otherwise agreed in writing with the local planning authority, development work on site shall not recommence until either (a) a Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority or (b) the planning authority has confirmed in writing that remedial measures are not required. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures. Thereafter remedial action at the site shall be completed in accordance with the approved Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement, a Verification Report shall be submitted to the local planning authority. Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement and a Verification Report in respect of those remedial measures has been submitted by the developer to and approved in writing by the local planning authority.

6. The tree protection measures as set out within the Fife Heritage Arboricultural Impact Assessment (by Atkins, July 2023) shall be implemented prior to any works commencing, to safeguard the trees on the site during development operations. The protective measures shall be retained in a sound and upright condition throughout the development operations and no building materials, soil or machinery shall be stored in or adjacent to the protected area, including the operation of machinery.
7. Vegetation removal shall not take place at any time between March and August (inclusive) in any calendar year unless otherwise agreed in writing with the Planning Authority following the submission of an updated breeding bird survey.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. To mitigate against the loss of trees on the site.
3. To avoid unacceptable risks to human health and the environment.
4. To avoid unacceptable risks to human health and the environment.
5. To ensure all contamination within the site is dealt with.
6. In order to ensure that no damage is caused to the existing trees during development operations.
7. In the interests of ecology, to minimise disruption within the bird nesting season.

Applicant: Mr Brian Abel Lomond View Lady Helen Road Dundonald Cardenden Lochgelly Fife KY5 0AL

Agent: Toni Coppola 12 12 Lady Nina Squ. coaltown of balgonie fife ky76hn

Application Refused

Reason(s):

1. In the interests of sustainable places, by avoiding ad hoc housing development in the countryside, which development is not justified on the grounds of a shortfall in housing land supply, being essential to support a rural business, or otherwise; consistent with adopted National Planning Framework 4 (2023) Policies 14 Design, Quality and Place, 15 Local Living and 20 Minute Neighbourhoods, 16 Quality Homes and 17 Rural Homes; and the adopted FIFEplan Fife Local Development Plan (2017) spatial strategy and its Policies 1: Development Principles, 2: Homes, 7: Development in the Countryside and 8: Houses in the Countryside.
2. In the interests of protecting greenfield land, the development here not supported in terms of adopted FIFEplan Fife Local Development Plan (2017) Policies 1: Development Principles, 2: Homes, 7: Development in the Countryside and 8: Houses in the Countryside, being in turn contrary to adopted National Planning Framework 4 (2023) Policy 9 Brownfield, Vacant and Derelict Land and Empty Buildings as relates to safeguarding of greenfield land.

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. NO DEVELOPMENT SHALL COMMENCE ON SITE until the risk of actual or potential land contamination at the site has been investigated and a Preliminary Risk Assessment (Phase I Desk Study) has been submitted by the developer to and approved in writing by the planning authority. Where further investigation is recommended in the Preliminary Risk Assessment, no development shall commence until a suitable Intrusive Investigation (Phase II Investigation Report) has been submitted by the developer to and approved in writing by the planning authority. Where remedial action is recommended in the Phase II Intrusive Investigation Report, no development shall commence until a suitable Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures.

All land contamination reports shall be prepared in accordance with CLR11, PAN 33 and the Council's Advice for Developing Brownfield Sites in Fife documents or any subsequent revisions of those documents. Additional information can be found at www.fife.gov.uk/contaminatedland

3. NO BUILDING SHALL BE OCCUPIED UNTIL remedial action at the site has been completed in accordance with the Remedial Action Statement approved pursuant to condition 2. In the event that remedial action is unable to proceed in accordance with the approved Remedial Action Statement - or contamination not previously considered in either the Preliminary Risk Assessment or the Intrusive Investigation Report is identified or encountered on site - all development work on site (save for site investigation work) shall cease immediately and the planning authority shall be notified in writing within 2 working days. Unless otherwise agreed in writing with the local planning authority, development works shall not recommence until proposed revisions to the Remedial Action Statement have been submitted by the developer to and approved in writing by the planning authority. Remedial action at the site shall thereafter be completed in accordance with the approved revised Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement - or any approved revised Remedial Action Statement - a Verification Report shall be submitted by the developer to the local planning authority.

Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement - or the approved revised Remedial Action Statement - and a Verification Report in respect of those remedial measures has been submitted to and approved in writing by the local planning authority.

4. IN THE EVENT THAT CONTAMINATION NOT PREVIOUSLY IDENTIFIED by the developer prior to the grant of this planning permission is encountered during the development, all development works on site (save for site investigation works) shall cease immediately and the planning authority shall be notified in writing within 2 working days.

Unless otherwise agreed in writing with the local planning authority, development work on site shall not recommence until either (a) a Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority or (b) the planning authority has confirmed in writing that remedial measures are not required. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures. Thereafter remedial action at the site shall be completed

in accordance with the approved Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement, a Verification Report shall be submitted to the local planning authority. Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement and a Verification Report in respect of those remedial measures has been submitted by the developer to and approved in writing by the local planning authority.

5. BEFORE THE COMMENCEMENT OF THE STORAGE USE HEREBY APPROVED, construction of the new vehicular crossing of the footway shall have been completed in accordance with the current Making Fife's Places Supplementary Guidance (2023) Transportation Development Guidelines.
6. BEFORE THE COMMENCEMENT OF THE STORAGE USE HEREBY APPROVED, the parking, turning and manoeuvring areas shown in the approved drawings shall have been provided in accordance with the current Making Fife's Places Supplementary Guidance Transportation Development Guidelines and shall thereafter be retained and available for use for the lifetime of the development.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. To ensure potential risk arising from previous land uses has been investigated and any requirement for remedial actions is suitably addressed.
3. To provide satisfactory verification that remedial action has been completed to the planning authority's satisfaction.
4. To ensure all contamination within the site is dealt with.
5. In the interests of road safety; to ensure the provision of an adequate design layout and construction.
6. In the interests of road safety; to ensure the provision of adequate off-street parking, turning and manoeuvring facilities.

88 **Application No:** 23/01678/PPP

Date Decision Issued: 18/09/2023

Ward: Lochgelly, Cardenden And Benarty

Proposal: Planning permission in principle for the erection of 2 dwellinghouses

Location: Land Adjacent To The East Of Fife Cycle Park Glenraig Fife

Applicant: Mr David Farrell 3 Hays Court Milnathort Scotland KY13 9ZL

Agent: Steff Bell Future Komfort 3 Hays Court Milnathort United Kingdom KY13 9ZL

Application Refused

Reason(s):

1. In the interest of safeguarding the countryside from unplanned, sporadic and unjustified residential development; the need in principle for a residential development in this location is not considered fully justified and would therefore be contrary to Policy 16: Quality Homes and 17: Rural Homes of NPF4 and Policy 1: Development Principles, Policy 7 Development in the Countryside, Policy 8: Houses in the Countryside of the Adopted FIFEplan (2017).
2. In the interests of visual amenity and safeguarding the character of the surrounding countryside; the proposed development it not considered to be of a scale, design and nature compatible with its surrounding or be located and designed to protect the overall landscape and environmental quality of the surrounding rural area and therefore contrary to Policies 1, 7, 8 and 10 of the Adopted FIFEplan (2017) and Policies 14 and 17 of NPF4.
3. In the interests of residential amenity; the proposed development would have a significant detrimental impact on the amenity of the occupants of the proposed development in terms of noise, contrary to Policy 1: Development Principles and Policy 10: Amenity of the adopted FIFEplan Fife Local Development Plan (2017).
4. In the interests of biodiversity and natural heritage; the development has failed to demonstrate that it would conserve, restore and enhance the biodiversity of the site, contrary to Policy 3: Biodiversity of National Planning Framework 4. Furthermore the proposal has failed to demonstrate that it would achieve significant environmental benefits or be located and designed to protect the overall landscape and environmental quality of the area, contrary to Policy 1: Development Principles and Policy 13: Natural Environment and Assets of the adopted FIFEplan Fife Local Development Plan (2017).

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.

Ward: Rosyth

Proposal: Application for Matters specified in Conditions for 170 private residential units and associated infrastructure, drainage and landscaping as required by condition 1(a) and 2 of 14/03707/PPP

Location: Site To The West Of Camdean Primary School Admiralty Road Rosyth Fife

Applicant: Avant Homes Scotland Argyll Court Castle Business Park Stirling Scotland FK9 4TT

Agent: EMA Architecture and Design 42 Charlotte Square Edinburgh Scotland EH2 4HQ

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. All roads and associated works serving the proposed development as shown on document 03F shall be constructed in accordance with Making Fife's Places Supplementary Guidance August 2018 and the current Fife Council Transportation Development Guidelines (Appendix G) to a standard suitable for adoption. Work shall include the following -
 - If a bus service (including a school bus service) diverts through the site, the provision of one pair of bus stops, boarders, flags and road markings located approximately adjacent to the gables of plots 54 and 153 shall be provided prior to the street containing plots 54 - 153 being adopted by Fife Council.
2. Prior to the occupation of each unit, the access driveways shall be constructed to the satisfaction of Fife Council as Planning Authority at a gradient not exceeding 1 in 10 (10%) and shall have appropriate vertical curves to ensure adequate ground clearance for vehicles prior to house occupation. The driveway widths shall not exceed 5 metres.
3. Prior to occupation of the first dwelling within the site, visibility splays 2.4 metres x 25 metres shall be provided and maintained clear of all obstructions exceeding 600mm in height above the adjoining road channel level, at all internal junctions of prospectively adoptable roads in accordance with the current Fife Council Transportation Development Guidelines. The visibility splays shall be retained through the lifetime of the development.
4. Prior to occupation of each house, all roadside boundary markers being maintained at a height not exceeding 600mm above the adjacent road channel level through the lifetime of the development.
5. Prior to the occupation of each house the off-street car parking for that plot shall be provided as shown on document 03F. The parking spaces shall be retained through the lifetime of the development.
6. PRIOR TO THE OCCUPATION OF PLOTS 14 - 20, an amended landscaping plan showing soft landscaping in this area shall be submitted for prior approval, showing the long row of parking spaces serving plots 14 - 20 broken up with soft landscaping.
7. The visitor car parking spaces as shown on document 03F shall be provided pro-rata in relation to the occupation of houses and be retained through the lifetime of the development.
8. PRIOR TO THE OCCUPATION OF THE 50TH UNIT, final details of the public art for the site shall be submitted for the written approval of Fife Council as planning authority. These details shall include a timescale for the implementation of the public art. The development shall be implemented in accordance with the details approved through this condition.
9. Within one year of the date of this planning permission, the open space approved through this application shall be fully implemented and usable unless otherwise agreed with Fife Council as planning authority.
10. NO DEVELOPMENT SHALL COMMENCE ON SITE until the risk of actual or potential land contamination at the site has been investigated and an updated Preliminary Risk Assessment (Phase I Desk Study) has been submitted by the developer to and approved in writing by the planning authority. Where further investigation is recommended in the Preliminary Risk Assessment, no development shall commence until a suitable Intrusive Investigation (Phase II Investigation Report) has been submitted by the developer to and approved in writing by the planning authority. Where remedial action is recommended in the Phase II Intrusive Investigation Report, no development shall commence until a suitable Remedial Action Statement has been submitted by the

developer to and approved in writing by the planning authority. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures.

All land contamination reports shall be prepared in accordance with CLR11, PAN 33 and the Council's Advice for Developing Brownfield Sites in Fife documents or any subsequent revisions of those documents. Additional information can be found at www.fife.gov.uk/contaminatedland

11. NO BUILDING SHALL BE OCCUPIED UNTIL remedial action at that part of the site has been completed in accordance with the Remedial Action Statement. In the event that remedial action is unable to proceed in accordance with the approved Remedial Action Statement - or contamination not previously considered in either the Preliminary Risk Assessment or the Intrusive Investigation Report is identified or encountered on site - all development work on site (save for site investigation work) shall cease immediately and the planning authority shall be notified in writing within 2 working days. Unless otherwise agreed in writing with the local planning authority, development works shall not recommence until proposed revisions to the Remedial Action Statement have been submitted by the developer to and approved in writing by the planning authority. Remedial action at the site shall thereafter be completed in accordance with the approved revised Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement - or any approved revised Remedial Action Statement - a Verification Report shall be submitted by the developer to the local planning authority.

Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement - or the approved revised Remedial Action Statement - and a Verification Report in respect of those remedial measures has been submitted to and approved in writing by the local planning authority.

12. BEFORE DEVELOPMENT STARTS ON SITE, a final boundary treatment plan with final elevational details of the boundary treatments proposed shall be submitted for the written approval of Fife Council as planning authority. The plans shall show an alternative to a 1.8m high timber fence to public elevations, such as a wall, landscaping screening, hedge, walls or a combination of walls and railings. The development shall thereafter be implemented in accordance with the details approved through this condition.
13. Within two years of the date of this planning permission, the play areas proposed for the open space shown within the landscape and public art proposals approved through this application shall be fully implemented and usable unless otherwise agreed with Fife Council as planning authority. Prior to this being installed, final details of the play equipment shall be submitted for the written approval of Fife Council as planning authority. The play equipment proposed for the site shall include equipment for younger children as well as equipment to allow play for all and shall not solely be fitness apparatus. The development shall be implemented in accordance with the details approved through this condition.
14. The landscaping scheme as approved shall be implemented within the first planting season following the completion or occupation of the development, whichever is the sooner.
15. All planting carried out on site shall be maintained by the developer in accordance with good horticultural practice for a period of 5 years from the date of planting. Within that period any plants which are dead, damaged, missing, diseased or fail to establish shall be replaced annually.
16. BEFORE DEVELOPMENT STARTS ON SITE a strategy for the delivery of street lighting for the site shall be submitted for the written approval of Fife Council as planning authority. Updated layout plans shall be submitted showing the locations of any lighting to be provided along with the mechanism for providing service strips. The development shall be implemented in accordance with the details agreed through this condition.

Reason(s):

1. In the interest of road safety; to ensure the provision of an adequate design layout and construction.
2. In the interest of road safety; to ensure the provision of an adequate design layout and construction.
3. In the interest of road safety; to ensure the provision of adequate visibility at the junctions of the vehicular access with the public road.
4. In the interest of road safety; to ensure the provision of adequate visibility at road junctions.
5. In the interest of road safety; to ensure the provision of adequate off-street parking facilities.
6. In the interests of visual amenity
7. In the interest of road safety; to ensure the provision of adequate off-street parking facilities.

8. To ensure delivery of the public art in compliance with the masterplan for the development.
9. In the interests of the amenity of the residents of the overall development site and to ensure the delivery of the masterplan.
10. To ensure potential risk arising from previous land uses has been investigated and any requirement for remedial actions is suitably addressed.
11. To provide satisfactory verification that remedial action has been completed to the planning authority's satisfaction.
12. In the interests of visual and residential amenity.
13. In the interests of the amenity of the residents of the overall development site, to ensure the delivery of the masterplan and to ensure the play equipment for the site caters for all needs.
14. In the interests of visual amenity.
15. In the interests of visual amenity and effective landscape management; to ensure that adequate measures are put in place to protect the landscaping and planting in the long term.
16. To ensure that there is adequate street lighting provided across the site.

Ward: Rosyth

Proposal: Change of use from office (Class 4) to a mixed-use development comprising of business and light industrial units (Class 4) and general industrial units (Class 5) and storage and distribution units (Class 6) and an assembly and leisure unit (Class 11) and installation of roller shutter doors

Location: Bank Of Scotland/Intelligent Finance Dundas House Viking Way Rosyth Dunfermline Fife KY11 2YD

Applicant: Woodview Properties Ltd Northern bank house co Fermanagh Enniskillen Northern Ireland BT93 1TF

Agent: Alison Arthur 85 High Street Newburgh Fife KY14 6DA

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. Notwithstanding the terms of Class 11 of The Town and Country Planning (Use Classes) (Scotland) Order 1997 (as amended), the Class 11 floor area as defined on the approved proposed first floor plan (07A - PROPOSED FIRST FLOOR PLAN), shall only be used as a conventional gym with freestanding equipment. FOR THE AVOIDANCE OF DOUBT, the Class 11 floor space shall not be used as a studio space where classes are taught etc.
3. Before any Class 5 or 6 unit is brought into use, full details of the noise barrier to be erected along the northern boundary of the site, as detailed in the approved noise impact assessment (11A - NOISE IMPACT ASSESSMENT - CSP Acoustics 06/07/2023), shall be submitted to Fife Council as Planning Authority for prior written approval. For the avoidance of doubt, the noise barrier shall be no greater than 2m in height and shall incorporate significant areas of planting along its northern side. The barrier shall also ensure pedestrian access from Ferry Toll Road is maintained. The approved noise barrier shall be constructed in accordance with the approved details, prior to any of the Class 5 or 6 units being brought into use. The approved planting shall be planted during the first planting season following the completion of the noise barrier. The barrier shall be retained and maintained for the lifetime of the development.
4. The 256 off-street car parking spaces as identified on the approved location/block plan (01A - LOCATION AND BLOCK PLAN) shall be retained for the lifetime of the development.
5. Within 3 months of each ground floor unit located along the northern and eastern sides of the application property being occupied, monitoring of actual noise levels from each of those units shall be undertaken to ensure noise levels are within acceptable limits at the nearest neighbouring noise sensitive property. Where noise monitoring indicates that further mitigation is required, activity within the identified unit shall cease until further mitigation is agreed with Fife Council as Planning Authority and that mitigation is fully installed on site.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In order to define the terms of the consent and in the interest of road safety; to ensure the Class 11 use is defined and that an unrestricted Class 11 use does not lead to an unacceptable parking demand.
3. In the interest of residential and visual amenity; to ensure that potential noise issues are mitigated and that the visual impact of the barrier is acceptable.
4. In the interest of residential amenity; to ensure actual noise levels from future occupiers are monitored and to validate that the identified mitigation is suitable.
5. In the interest of road safety; to ensure the property retains adequate parking spaces.

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. Prior to the occupation of the dwellinghouse hereby approved, there shall be provided within the curtilage of the site off-street parking spaces in accordance with the current Fife Council Parking Standards contained within the Transportation Development Guidelines. The parking spaces shall be retained for the lifetime of the development.
3. Prior to the occupation of the dwellinghouse hereby approved, there shall be provided within the curtilage of the site a turning area for vehicles suitable for use by the largest size of vehicle expected to visit or be used by occupants of the premises to allow a vehicle to enter and exit the access driveway in a forward gear. The turning area shall be formed outwith the parking areas and shall be retained throughout the lifetime of the development.
4. PRIOR TO ANY DEVELOPMENT COMMENCING the boundary treatment measures and new planting as specified within the submitted site plan (Plan Reference -03) shall be carried out in full unless otherwise agreed in writing with Fife Council as Planning Authority.
5. All planting carried out on site shall be maintained by the developer in accordance with good horticultural practice for a period of 5 years from the date of planting. Within that period any plants which are dead, damaged, missing, diseased or fail to establish shall be replaced annually.
6. The residential unit hereby approved shall be used solely as a residence for (a) a single person or by people living together as a family; or, (b) not more than 5 unrelated residents living together in a dwellinghouse. For the avoidance of doubt the residential unit hereby approved shall not be used for Housing in Multiple Occupation.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interest of road safety; to ensure the provision of adequate off-street parking facilities.
3. In the interest of road safety; to ensure that all vehicles taking access to and egress from the site can do so in a forward gear.
4. In the interests of protecting and safeguarding the natural environment.
5. In the interests of visual amenity and effective landscape management; to ensure that adequate measures are put in place to protect the landscaping and planting in the long term.
6. In the interests of maintaining a mixed and balanced housing stock as required by Policy 2 of the Adopted FIFEplan 2017.

Agent: James Watters 34 Millhill Street Dunfermline Scotland KY11 4TG

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.

Ward: West Fife And Coastal Villages
Proposal: Erection of cattery (Sui Generis) and siting of caravan (Retrospective)
Location: Land Adjacent To 1 Midfield Terrace Steelend Fife
Applicant: Mr John Cowbrough West Saline House West Saline Farm Saline UK KY12 9UG
Agent: Stuart Hannah Liberty Centre Pitreavie Way Dunfermline UK KY11 8QS

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. FOR THE AVOIDANCE OF DOUBT, the temporary structure hereby approved shall be removed from the site and the site reinstated to its original condition no later than 3 years from the date of this consent.
3. Prior to the cattery business coming into use, a 1.8-meter acoustic fence to the south, east and west shall be installed as shown on the approved plans and thereafter permanently maintained for the lifetime of the development.
4. Prior to the cattery business use commencing, 3 off-street parking spaces shall be provided within the curtilage of the site in accordance with the current Fife Council Making Fife's Places Appendix G. The parking spaces shall be retained through the lifetime of the development.
5. Prior to the cattery business use commencing, the construction of the widened vehicular crossing of the footway shall be carried out in accordance with the current Fife Council Making Fife's Places Appendix G.
6. Prior to the cattery business use commencing, the access driveway shall be constructed at a gradient not exceeding 1 in 10 (10%) and shall have appropriate vertical curves to ensure adequate ground clearance for vehicles prior to house occupation. The first two metre length of the driveway to the rear of the public footway shall be constructed in a paved material (not concrete slabs).

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In order to define the terms of this consent; the proposal is only acceptable on the basis of a temporary consent.
3. In the interests of residential amenity
4. In the interest of road safety; to ensure the provision of adequate off-street parking facilities
5. In the interest of road safety; to ensure the provision of an adequate design layout and construction.
6. In the interest of road safety; to ensure the provision of an adequate design layout and construction.

Ward: West Fife And Coastal Villages
Proposal: Change of use from woodland to allow for siting of glamping pods (5 units)
Location: Land East Of North Lodge Inzievar Estate Inzievar Oakley Fife
Applicant: Mr Cree Spowart Inzievar Glamping Sunnyside Rd Oakley Scotland KY12 8EY
Agent: Darren Beresford 237 Baldridgeburn Dunfermline United Kingdom KY12 9EG

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. Prior to the first occupation of any glamping pod, the geometry of the junction of the informal vehicular access shall be reconfigured to ensure that it is perpendicular (at 90 degrees) to the public road. These works including the construction of the vehicular crossing of the public roadside verge shall be carried out in accordance with the current Fife Council Making Fife's Places Appendix G.
3. Prior to the first occupation of any glamping pod, visibility splays 3m x 100m shall be provided and maintained clear of all obstructions exceeding 1 metre in height above the adjoining road channel level, at the junction of the vehicular access and the public road, in accordance with the current Fife Council Making Fife's Places Appendix G. The visibility splays shall be retained for the lifetime of the development.
4. Prior to the occupation of the approved glamping pods confirmation that the approved SUDS has been constructed in line with current best practice shall be submitted to Fife Council. The required confirmation shall comprise the submission of a completed and signed Appendix 6 of Fife Council's Design Criteria Guidance on Flooding and Surface Water Management Plan Requirements.
5. The SUDS and drainage infrastructure hereby approved shall be constructed/installed contemporaneously with the build out of the development hereby approved and shall be fully operational prior to the occupation of the approved glamping pods unless otherwise agreed in writing. Thereafter shall be retained and maintained for the lifetime of the development.
6. All planting carried out on site shall be maintained by the developer in accordance with good horticultural practice for a period of 5 years from the date of planting. Within that period any plants which are dead, damaged, missing, diseased or fail to establish shall be replaced annually.
7. BEFORE ANY WORKS START ON SITE, a scheme of landscaping indicating the siting, numbers, species and heights (at time of planting) of all trees, shrubs and hedges to be planted, and the extent and profile of any areas of earthmounding, shall be submitted for approval in writing by this Planning Authority. The scheme as approved shall be implemented within 6 months of the first planting season following the completion or occupation of the development, whichever is the sooner.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interest of road safety; to ensure the provision of an adequate design layout and construction.
3. In the interest of road safety; to ensure the provision of adequate visibility at road junctions etc.
4. To ensure the approved SUDS infrastructure has been constructed in accordance with the approved plans and in accordance with current best practice.
5. To ensure the effective management of surface water and to ensure that the required drainage works are carried out and operational at the required stage of the development.
6. In the interests of visual amenity and to ensure a satisfactory standard of local environmental quality.
7. In the interests of visual amenity and effective landscape management; to ensure that adequate measures are put in place to protect the landscaping and planting in the long term.
